## Aims and Objectives

The Furniture Project Nottinghamshire began as an idea in 1991 when increased unemployment and a change in the Social Security benefit system resulted in less access to grants from the Social Fund for items like household furniture, even amongst those meeting all the criteria for eligibility.

Against this background, and with growing evidence of need, staff and volunteers from the Community Development Project and Unemployed Centre based at the Dukeries Complex, New Ollerton, embarked on a pilot furniture project (following an idea by Community Worker, Rosemary McDonald). Helped by Bassetlaw Probation Service providing transport and volunteers; and with garage storage space given by Nottinghamshire Community Housing Association, the first seeds of The Furniture Project were sown.

The pilot was so successful, and the demand for the service so great that a funding package was put together and in August 1992, with grant aid in place, The Furniture Project was officially formed and moved to premises on Boughton Industrial Estate in October 1992, where it is still based today.

The Furniture Project Nottinghamshire's main objective is to relieve the effects of poverty for disadvantaged people living in deprived communities in Nottinghamshire. In order to achieve this it relies on donated furniture which is sent out on referrals to those struggling to afford the basics to make 'a house a home'. Any excess stock is sold at affordable prices to the wider community as an alternative to buying new when money is much tighter for all. The money raised from these sales allows the Charity to keep offering a subsidised referral service and continue reaching those most in need in our communities.

### ***The main objects of The Furniture Project Nottinghamshire are:***

- ◆ To relieve the effects of poverty for disadvantaged people and help reduce need, hardship or distress by offering a provision of subsidised furniture and other essential household items to those in need.
- ◆ To promote the 3 R's (Reduce, Reuse, Recycle) and reduce the amount going to landfill and thus help to protect our environment.
- ◆ To offer volunteering and work placements to help people get back into paid employment or add a new dimension to the lives of those who are retired or in part time employment.
- ◆ To provide 'community payback' opportunities for Nottinghamshire Probation Service placements.

## Equal Opportunities Policy

The Furniture Project is committed to provide employment opportunities and services on an equitable basis to all.

The aim of this policy is to ensure that no job applicant, employee, volunteer, client or customer receives less favourable treatment on the grounds of gender, race, disability, colour, nationality, ethnic or national origin, marital status, sexuality, responsibility for dependants or religion.

Selection criteria and procedures will be kept under review to ensure that individuals are selected, promoted and treated on the basis of their relevant merits and abilities.

All employees will be given equality of opportunity within the Furniture Projects service.

The provision of services and their delivery practices and procedures will also be kept under review to ensure that they are not unlawfully or unfairly discriminatory and that services are provided on the basis of identified needs.

The Furniture Project is committed to a programme of action to make this policy fully effective.

We believe that those associated with the Furniture Project have a responsibility to address the following issues in a local and national context.

The Furniture Project covering North Nottinghamshire and surrounding counties accepts and welcomes the various "Government Acts" affecting and improving the rights of individuals associated with their place of work.

We also fully support improvements in access and equality for those with disabilities.

The Furniture Project is actively committed in all its work to challenging racism, sexism and combating discrimination in its employment practices, and in all its work.

In its work The Furniture Project is committed to challenging discrimination in all its forms, and to support its workers in doing this.

***The Furniture Project is striving to become an Equal Opportunities Employer.***

## Chairperson's Report

This is my 17<sup>th</sup> year of involvement with the Project, my seventh year as Chairman and consequently my seventh Chairman's report.

I said last year that The Project is continuing to go from strength to strength and this year has been no exception. We find ourselves in a very sound financial position and it has to be because of the hard work from all the staff and volunteers all ably managed by Carole our Project Manager and her equally able assistant Kevin.

I wanted to single them out particularly for their hard work and dedication but it is the whole team who produce the results. I would also like to mention another Carol, (this one without an "e") who joined us and provides Carole and the Project with some excellent clerical assistance and has become our "Facebook" expert. Thank you Carol.

Donations are still almost as many as we can cope with and the referrals are not diminishing, highlighting the difficulty many people in this country have to cope with. We always say we help to turn a house into a home and that is just what we continue do very, very well!

I mentioned the loss of the shop on Forest Road last year and the move to the old indoor market on Sherwood Drive. This is proving to be a success but we do need to advertise the fact we have moved there!!! Roundabout is helping in getting the message around the town and thanks to John Bradford, a member of Roundabout's Management Committee for organising this.

Gift Aid continues to work very well and no mention of it should be made without expressing our thanks to Kevin the Gift Aid Co-ordinator, ensuring the Gift Aided goods are correctly highlighted when they arrive as donations. We currently claim around £30,000 a year!!!

No report would be complete without me thanking our many volunteers and staff, particularly those working in the new Market and our long-term drivers for their enormous effort and commitment.

On behalf of the Management Committee, many, many thank to all for your tremendous effort again this year

Best wishes.

Mike MANNING

Chairman

## The Furniture Project

The work of the Furniture Project covers over 600 square miles of rural Nottinghamshire, with a population of over 250,000 people. We are also now covering parts of Lincolnshire and Derbyshire as the Project expands.

This Project seeks to assist those in need by providing essential items of furniture at a heavily subsidised rate. This is done by collecting items donated by the public which are passed on via a referral system. The Project relies on an increasing number of welfare agencies/ organisations who administer the forms on our behalf.

The Project operates five vehicles six days a week assisted by volunteers, and community service placements. We cover Mansfield, Newark, Retford, Worksop, Nottingham and all the villages in between as well as parts of Lincolnshire.

The Project attempts to assist all those meeting eligibility criteria but in particular those experiencing distress and hardship, e.g., homelessness, domestic violence, fire / flood victims or those returning into the community from institutions, prisons or hospitals.

Serving such a large rural area and providing a service to a dispersed population is not an easy task and can create logistical problems.

Cut backs to the benefit system highlight that it's even harder for clients to access loans and grants through Social Security, putting even more pressure onto the Project to help those in need and giving more credibility for the existence of this much needed Project. On occasions the demand for some items of furniture exceeds the supply available, making it impossible to provide all the items requested.

**The aims and objectives of The Furniture Project Nottinghamshire are:**

- To relieve the effects of poverty for disadvantaged people and help reduce need, hardship or distress by offering a provision of subsidised furniture and other essential household items to those in need.
- To promote the 3 R's (Reduce, Reuse, Recycle) and reduce the amount going to landfill and thus help to protect our environment.
- To offer volunteering and work placements to help people get back into paid employment or add a new dimension to the lives of those who are retired or in part time employment.
- To provide 'community payback' opportunities for Nottinghamshire Probation Service placements.

In order to achieve this we rely on donated furniture which we send out on referrals to those struggling to afford the basics to make 'a house a home'. Any excess stock we get we sell at affordable prices to the wider community as an alternative to buying new when money is much tighter for all. The money raised from these sales allows the Charity to keep offering a subsidised referral service and continue reaching those most in need in our communities.

## Review of Activities and Achievements 2017 / 18

The Furniture Project Nottinghamshire has had a busy year during 2017 / 18 going from strength to strength under new leadership from Carole Batey, Project Manager and Kevin O'Hare, Deputy Manager: Here are just some of the activities / achievements we have been part of...

### ***25th Anniversary Celebrations***

August 2017 marked a huge milestone for The Furniture Project Nottinghamshire with it celebrating 25 years serving the community and providing furniture and household items to families and individuals in need. To mark this occasion we invited the local community, volunteers and people who have supported the project over the last 25 years to come along and join in the celebrations on the 12th August with free food, ice cream, a bouncy castle and 25% of anything purchased on the day. It was a roaring success with over 100 people, young and old, turning out to show their support!

### ***Buy Nothing New Day***

In conjunction with the Reuse Network we held our first ever 'Buy Nothing New' Day on Friday 24th November 2017 as an ethical alternative to Black Friday to try and encourage people to buy preloved furniture whilst promoting what we are all about. We offered 10% of all furniture and household items and everyone that spent over £10 got entered into a prize draw to win a £50 voucher to be spent at either the shop or warehouse. It was a good day and lots of customers went away knowing a bit more about us and with a bargain to boot! We hope to make this an annual event.

### ***Syrian Resettlement Project***

The project was asked to get involved with the Syrian Resettlement Project and has helped to furnish a number of homes for refugees being resettled in the UK from war torn Syria. We attend meetings held by NCC and NSDC as well as the Refugee Forum. We have also offered volunteering placements for some of the Syrian refugees who wanted to gain work experience and improve their English.

## **Christmas Light Switch On**

The project had a stall at the Ollerton Christmas Lights switch on, on Friday 1st December 2017 and opened up the shop to sell items and promote the work that we do. The Town Council also approached the project and asked if Santa's Grotto could be located inside the shop and we were more than happy to oblige. It was a great day and we raised £270 selling Christmas decorations and £105 on a tombola in the shop.

## **Visit by Paddy Tipping, Police & Crime Commissioner**

Paddy Tipping, Police and Crime Commissioner for Nottinghamshire visited The Furniture Project Nottinghamshire on Thursday 11<sup>th</sup> January to find out what the project is all about and the services it provides for people living in Nottinghamshire. He was particularly interested in finding out about how the project works with the Probation Service and was keen to hear about the Community Payback placements that we offer to offenders as a way of rehabilitation and payback to the community for the crimes they have committed. The Community Payback scheme is unpaid, hard work but also offers offenders the chance to get involved in their local communities, learn new skills and do something positive and worthwhile which all helps to make the communities we live in safer and better places to be. Carole Batey, Project Manager for The Furniture Project Nottinghamshire said: "It was fantastic to get recognition from the Police and Crime Commissioner for all the work we do with the Probation Service and offenders and to be able to show him around the Project and meet the volunteers and staff who are passionate about the work we do."

## **Facebook Page set up!**

We finally took the plunge and set up a Facebook page for the project. It is [www.facebook.com/thefurnitureprojectnottinghamshire](http://www.facebook.com/thefurnitureprojectnottinghamshire) and to date has over 360 likes and counting. Since being set up in August 2017 it has had lots of likes and enquiries about our service and stock for sale. We have been able to use it to promote what we do, promote shop and warehouse sales and any special events we have taken part in or organised. Feedback has been positive and it is a useful promotion tool.

## ***New vans purchased***

Following the announcement that HOPE in Worksop was shutting down we were able to purchase 2 of their 11 reg vans in December to update our fleet. Both vans have since had our logos put on them and now go out on a daily basis collecting and delivering furniture. We have increased our days collecting from Worksop and Retford to meet this gap in provision since HOPE closed.

## ***Shop promotion***

We have actively been promoting the shop on Sherwood Drive in order to increase awareness of our move and promote shop sales. Adverts have gone out in the local press and a leaflet designed, printed and distributed around the local area. Facebook has also been used to promote opening hours and stock for sale. All of this has seen sales steadily increase as more people get to know about us!

## **Retford Road Estate Day of Action**

On 21st February working in partnership with NSDC, Newark & Sherwood Homes, The Young Peoples Centre and Ollerton Town Council we attended the Retford Rd Estate Day of Action. We offered free textile and scrap collections and waste disposal, for a small fee, for larger items. We also reused items where we could. It was great promotion and the community really got involved. ## ***Future Plans***

As the project grows we will continue to:

- Promote Referrals so that more people in need get the benefit of subsidised furniture and household items.
- Promote the shop and warehouse and increase sales and donations.
- Work with the Syrian Resettlement Project and support them where we can.
- Promote and develop Giftaid.
- Promote reuse and recycling and reduce the amount going to landfill.
- Work in partnership with other agencies and forge ahead with new ones.
- Look at writing a Business Plan to take the project forward.
- Look at Grants available to help us develop and grow.
