AIMS AND OBJECTIVES

The main objects of The Furniture Project Nottinghamshire are:

- ◆ To relieve the effects of poverty for disadvantaged people and help reduce need, hardship or distress by offering a provision of subsidised furniture and other essential household items to those in need.
- ◆ To promote the 3 R's (Reduce, Reuse, Recycle) and reduce the amount going to landfill and thus help to protect our environment.
- ◆ To offer volunteering and work placements to help people get back into paid employment or add a new dimension to the lives of those who are retired or in part time employment.
- ◆ To provide 'community payback' opportunities for Nottinghamshire Probation Service placements.

The work of the Furniture Project Nottinghamshire covers over 800 square miles of rural Nottinghamshire, with a population of over 850,000 people. We are also now covering parts of Lincolnshire and Derbyshire as the Project expands.

This Project seeks to assist those in need by providing essential items of furniture at a heavily subsidised rate. This is done by collecting items donated by the public which are passed on via a referral system. The Project relies on an increasing number of welfare agencies/ organisations who administer the forms on our behalf.

The Project operates five vehicles six days a week assisted by volunteers, and community service placements. We cover Mansfield, Newark, Retford, Worksop, Nottingham and all the villages in between as well as parts of Lincolnshire and some parts of Derbyshire.

The Project attempts to assist all those meeting eligibility criteria but in particular those experiencing distress and hardship, e.g., homelessness, domestic violence, fire / flood victims or those returning into the community from institutions, prisons or hospitals.

Serving such a large rural area and providing a service to a dispersed population is not an easy task and can create logistical problems.

Changes to the benefits system mean more people are pushed into poverty and this in turn means demand for our referral service continues to increase. We rely on donations to meet this demand and on occasions the demand for certain items, in particular, beds and white goods means that demand exceeds supply making it impossible to provide all the items requested.

Chairperson's Report

This is my 20th year of involvement with the Project, my 10th year as Chairman and consequently my 10th Chairman's report.

I am usually in the enviable position of being able to report yet another successful year for the Project and thank Carole and all the staff for their hard work.

Unfortunately I am sorry to say that this report is covering a year that has been decimated due to the Pandemic. We were closed from 23rd March 2020 and only open for a fairly short period during last summer. Carole has managed the situation quite brilliantly and we have come out of it with no loss of staff, a still healthy bank balance and much hope and high expectations for the future of the Project.

On behalf of the Management Committee I would like to say a huge thanks to Carole who has bought the Project through an extremely difficult situation and also thank all the staff for their patience.

Best wishes.

giftaid it

making donations go further

We have revamped our Gift Aid form to make the front clearer and the back easier for our Drivers to log items collected. When a Gift Aided item is sold this mean we can then quickly identify the donor and they can be informed by letter or email of any money raised from their donation.

Using Giftaid means that for every £ you donate The Furniture Project Nottinghamshire can claim an extra 25p from the Inland revenue, helping your donation go further.

That's an extra 25% more to keep The Furniture Project Nottinghamshire running and helping those in need. So, if you want the items you donate to go so much further, simply complete the form below and return it back to the driver.

THERE IS NOTHING ELSE YOU NEED TO DO, AND IT WILL COST YOU NOTHING.

By completing this form you are confirming:

That we are acting as your agent and that you are a UK tax payer
(please be aware that you must have paid an amount of income or capital gains tax at least equal to the tax that we reclaim on your donations in the appropriate tax year - currently 25p for each £1 you give). The tax year is 6 April one year to 5 April the next year.

If the items that you have donated from the collection date can be sold or reused, The Furniture Project Nottinghamshire will notify you of any funds raised by letter to your home address below or Email if specified.

Gift Aid continues to play an important part in helping to fund the Project as for every £1.00 donation we can claim an extra 25p from the Inland Revenue. When times are tough this can make a big difference for a Project like ours. So it is important that when the drivers go out collecting they make sure they ask the donors whether they are a UK tax payer and if they are if they would like to Gift Aid their items. It costs the donor nothing to Gift Aid and we do all the hard work; all they need to do is check the details are correct on the form and sign it.

Review of Activities and Achievements 2020/ 21

It has been an extremely challenging year for The Furniture Project Nottinghamshire as the World has had to deal with a Coronavirus pandemic. For us it has meant the Project has had to cease operations 3 times during 2020/21 which has totalled over 7 months where both our warehouse and shop were closed and all collections and referrals had to be suspended.

This has meant lost income and a reduction in volunteering placements, referrals, probation placements and collections. All of which have heavily impacted our usual statistics for the year, which you will see later on in the report. Income has also taken a massive hit, with bills still to pay but no money coming through our usual sales and other services we offer.

Despite all of this the staff and volunteers have all pulled together during the times we have been allowed to open to ensure the smooth running of the Project and to meet the massive demand that has built up.

Due to the pandemic all other activities we would have been involved in such as conferences, local events in the community and meetings also didn't take place or happened over 'Zoom'.

On a positive note we have now employed an 'Upcycler' / Warehouse person to repair and upcycle pieces of furniture that were destined for the tip. This reduces the amount of waste we send to landfill and showcases what you can do to old furniture to give it a new lease of life. #Inspiration

First National Lockdown

On the 23rd March 2020 The Project had to temporarily close due to the Coronavirus pandemic that had begun to sweep the World. This was our first experience of a lockdown and would see the Project shut until 15th June; a long 12 weeks not offering any of our services, having no income, but still bills to pay.

In order to reopen we had to make the shop, warehouse and all of our activities 'Covid safe' and ensure our Health and Safety Policy reflected the challenges faced and reduced risk. This meant a one way system at our shop and warehouse and a limit on numbers allowed in at any one time. It also meant ensuring we had face masks and hand sanitiser available in our buildings and vans and a new cleaning regime was implemented. We also saw a reduction in volunteers and a complete stop to probation placements.

Approved Reuse Centre

On the 30th July we had our second ARC audit by The Reuse Network. Because of the ongoing pandemic this was done via 'Zoom' and despite all the recent challenges we had faced we passed this with flying colours and secured our 'Approved Reuse Centre' status for another year.

Second National Lockdown

At the beginning of November we again had to close the Project down because of rising cases of Covid in the UK. This saw us shut for a month this time, reopening on 2nd December 2020. Demand for our services when we reopened was again massive and saw us working on Sundays to be able to meet it.

Third National Lockdown

In January 2021 it was announced by the Government that we were going into a third national lockdown. This was a huge blow to everyone and meant the Project had to close down yet again. Staff were put on furlough and with no end date given we faced huge uncertainty as to whether the Project could survive yet another closure.

The Project was finally able to reopen on the 12th April 2021 and work began again to catch up on the massive backlog of work and need that had built up whilst we were shut. We remain hopeful that this will be the last and that we have weathered the storm with the help of the various grants that were available.

Only time will tell but we are busier than ever with people wanting to donate items and with referrals coming in from people in need and facing hardship. Our warehouse and shop are also doing well as it seems people are looking at buying preloved rather than new in these uncertain times.

The Furniture Project Nottinghamshire: Statistics
