AIMS AND OBJECTIVES

The main objects of The Furniture Project Nottinghamshire are:

- ◆ To relieve the effects of poverty for disadvantaged people and help reduce need, hardship or distress by offering a provision of subsidised furniture and other essential household items to those in need.
- ◆ To promote the 3 R's (Reduce, Reuse, Recycle) and reduce the amount going to landfill and thus help to protect our environment.
- ◆ To offer volunteering and work placements to help people get back into paid employment or add a new dimension to the lives of those who are retired or in part time employment.
- ◆ To provide 'community payback' opportunities for Nottinghamshire Probation Service placements.

The work of the Furniture Project Nottinghamshire covers over 800 square miles of rural Nottinghamshire, with a population of over 850,000 people. We are also now covering parts of Lincolnshire and Derbyshire as the Project expands.

This Project seeks to assist those in need by providing essential items of furniture at a heavily subsidised rate. This is done by collecting items donated by the public which are passed on via a referral system. The Project relies on an increasing number of welfare agencies/ organisations who administer the forms on our behalf.

The Project operates five vehicles six days a week assisted by volunteers, and community service placements. We cover Mansfield, Newark, Retford, Worksop, Nottingham and all the villages in between as well as parts of Lincolnshire and some parts of Derbyshire.

The Project attempts to assist all those meeting eligibility criteria but in particular those experiencing distress and hardship, e.g., homelessness, domestic violence, fire / flood victims or those returning into the community from institutions, prisons or hospitals.

Serving such a large rural area and providing a service to a dispersed population is not an easy task and can create logistical problems.

Changes to the benefits system mean more people are pushed into poverty and this in turn means demand for our referral service continues to increase. We rely on donations to meet this demand and on occasions the demand for certain items, in particular, beds and white goods means that demand exceeds supply making it impossible to provide all the items requested.

Chairperson's Report

It is a real honour to prepare my first Chairperson's report although I have been involved in the Furniture Project for a number of years now. I was asked to be the chairperson on the Management Committee and took great pride in accepting the position having taken over from Mike Manning.

Mike has been the chairperson for the last 10 years and has been heavily involved in the project for 20 years. He has seen the project go from strength to strength and from a relatively small charity to a very successful charity which was starting to build its cash reserves. I would therefore like to start by thanking Mike for his hard work and commitment over the years as we wouldn't be here without him.

The effects of Coronavirus have had a drastic impact across the country and dramatically so on the economy. This has led to extreme and unprecedented increases in utility bills, fuel prices and the tightening of the belt for most of the population, meaning our work has never been more important.

The economic situation across the country has naturally had an effect on all business but especially our charity. One of the main causes is the rise in fuel prices.

During these tough economic times, The Furniture Project remains more determined than ever to offer the living wage to all employees of the Project in an effort to thank them for all their hard work and commitment which they show to the local and wider community every day. Our staff make such a difference and the Management Committee remain optimistic that with their dedication, we will ride this economic wave and as ever, come out stronger.

Despite all the hardships, the Project has continued to grow and go from strength to strength. There are obviously further challenges ahead which the Project feel more and more prepared for and we continue to be assisted by the hard work from all staff, volunteers and our exceptionally dedicated Project Manager Carole.

It would of course be remiss of me to not take this opportunity to thank our volunteers, staff and everyone who has donated time or money to the Project and we must thank you from the bottom of our hearts for that. I would also like to thank the Management Committee who I know invest a lot of time and energy into the Project as we acknowledge the responsibility on our shoulders to keep such a good local charity working as efficiently as possible.

We continue to strive to build up our cash reserves and are setting targets within the Furniture Project to increase efficiency wherever possible. In such challenging times and where every penny, donation and grant means so much, we continue to strive to maximise every element as much as we can.

The shop on Forest Road has gone from strength to strength and has proven to be a real asset for the Project. I must thank all of the shop staff as well as the team generally for keeping the shop looking so smart and appealing.

We continue to get a generous stream of donations in from a number of different avenues and the project continues to maximise any donation which we have including refurbishing items and striving to be as Green as we can.

My first year as chairperson has been thoroughly rewarding and I hope that we can have many more rewarding and successful years ahead.

Best wishes,

Charles A Daysh

Review of Activities and Achievements 2021/ 22

Well it has been another challenging year due to the Coronavirus pandemic which has swept the world and impacted everyone's lives for the past two years. The Project finally opened its doors again after the third national lockdown on 12th April 2021. As you can imagine we were extremely busy with lots of pent up demand for our services when we reopened and in order to meet this we opened on Sundays as a temporary measure. Things eventually calmed down but it has been a struggle logistically as we had reduced volunteers and reduced community service placements to help go out on the vans with our paid staff. Despite this everyone pulled together and with hard work and dedication the Project survived and has continued to thrive.

Mike Manning retires as Chairperson

At our delayed AGM on 17th August 2021 Mike Manning made the tough decision to stand down as chairperson of the Project after 10 years in this role.

John (Company Secretary) said: "Mike has been involved with the Project for the last 20 years and has been Chairperson for the last 10 years. Under his leadership he has steered the Project from bankruptcy to surviving a pandemic. We will all miss him and are grateful for all his hard work and support over the years."

Mike told the group he had thoroughly enjoyed his time with the Project and the last 10 years as

Chairperson. The decision to step down was not made lightly but he wanted to spend more time with his family. Mike said: "the project is in a fabulous position, so it is a good time to hand over the reins to my successor...I am very proud of how far we have come.... thanks to Carole for managing the Project and the rest of the staff and volunteers for helping to turn it around..."

The Management Committee asked for nominations for the role of Chairperson and Charles Daysh was asked to stand. He accepted and was proposed by Derek Batey and Seconded by John Bradford. All those in attendance were all in favour and so Charles was duly elected as the new Chairperson of The Furniture Project Nottinghamshire. Charles said "Mike has left the Project in a strong position and I am looking forward to the challenge of this new role and driving The Furniture Project forward."

Mike was presented with a gift voucher for Cauntton Beck, some chocolates and a thank you card from everyone at the Project. We will all miss him lots and thanks were given for all his hard work and support.

Christmas Lights Switch on

On Friday 19th November 2021 (after it had to be cancelled the previous year) we had our annual stall at Ollerton Christmas Lights switch on promoting the Project and selling Christmas gifts, hats and scarves. The shop also stayed open late and held a tombola. We made £400 on the day and it was great to be a part of a wonderful community event.

Christmas Raffle

Instead of sending Christmas cards this year we decided to collect donations for Mansfield YMCA and their winter shelter provision. This was to support vulnerable people who have nothing over Christmas. We also decided to add to this by holding a raffle for 2 hampers. We managed to raise £155.00 for such a great cause and got it sent over in time for Christmas.

Afghan and Syrian Vulnerable Persons Resettlement Schemes

As part of our commitment to these Government schemes and our mission to help people in need we have now furnished 60 homes ready for families to move into and begin their new lives in the

UK. We have undertaken this work for NSDC, Nottingham City Council, and Mansfield District Council. Our role was to provide preloved furniture and household items and furnish empty homes to make them a home for those that have had to leave Syria and more recently Afghanistan. We have refurbished properties in Nottingham, Newark and Ollerton and Mansfield.

Recent feedback from NSDC:

“The Furniture Project have successfully furnished our Resettlement properties for the three schemes we deliver within the district (VPRS, UKRS and ARAP).

All the properties are furnished to an extremely high standard and we are always very pleased with the finished product they deliver for us.

Our families are also delighted when they enter their new homes and Carole and the team always make an effort to tailor the furnishing to the family make up, demonstrating extra care and thought to the process.

We would not be able to deliver the schemes to the tight timescales without the incredible support from the FP team.”

Upcycling grows

Mark, our resident 'upcycler', has had 3 new volunteers join him to help upcycle old furniture and give it a new lease of life. Upcycled pieces are then sold at either our shop or warehouse and used on our social media to promote upcycling and what is possible.

We have also started working with a Project at the Probation service who collect tired, outdated furniture from us, upcycle it and send it back to us to sell. This is what the supervisor had to say:

The Upcycling project at Worksop is a "first" for Unpaid work / Community service, so for both myself as their supervisor, and the offenders allocated to the group, it was a "step into the unknown".

The enthusiasm from day one by the offenders was unexpected and unparalleled in all my 21 years experience.

I initially explained to the group the link to the Furniture Project that Probation has had over the years, and the recent market created (with Mark as lead) for upcycling suitable furniture received at Boughton, which has exceeded demand – which is where we came in.....

Neither myself or any of the initial four offenders had any real experience in this field, but all have a basic grounding in DIY, painting & "fixing things".

Undaunted by my talk, and the sight of so much "brown furniture," we unpacked the tools and paints you had supplied...

Having read Marks instructions for the individual piece of furniture, the offenders each "adopted" a piece of furniture, leaving a couple as "hospital jobs"; they uncomplainingly spent the first couple of weeks dismantling, scrapping & sanding, followed by some careful painting & oiling (sanding between coats even if not specified – mostly 3 to achieve a good finish).

The big surprise for me at the end of the first session was a unanimous question of "no one else will be touching these will they – they're OURS to finish?" which showed a real sense of ownership and pride in the project – something which can sometimes be quite difficult to instil & encourage at Unpaid work.

The offenders continued on their chosen pieces – the first three being ready to collect by Mark last weekend, who was "blown away" with the quality & standard of the work.

The next pieces available for collection will be even better – including a dog/cat kennel unit complete with a home made cushion!!
