## AIMS AND OBJECTIVES

The work of the Furniture Project Nottinghamshire covers over 800 square miles of rural Nottinghamshire, with a population of over 850,000 people. We are also now covering parts of Lincolnshire and Derbyshire as the Project expands.

This Project seeks to assist those in need by providing essential items of furniture at a heavily subsidised rate. This is done by collecting items donated by the public which are passed on via a referral system. The Project relies on an increasing number of welfare agencies/ organisations who administer the forms on our behalf.

The Project operates five vehicles six days a week assisted by volunteers, and community service placements. We cover Mansfield, Newark, Retford, Worksop, Nottingham and all the villages in between as well as parts of Lincolnshire and some parts of Derbyshire.

The Project attempts to assist all those meeting eligibility criteria but in particular those experiencing distress and hardship, e.g., homelessness, domestic violence, fire / flood victims or those returning into the community from institutions, prisons or hospitals.

Serving such a large rural area and providing a service to a dispersed population is not an easy task and can create logistical problems.

Changes to the benefits system mean more people are pushed into poverty and this in turn means demand for our referral service continues to increase. We rely on donations to meet this demand and on occasions the demand for certain items, in particular, beds and white goods means that demand exceeds supply making it impossible to provide all the items requested.

### ***The main objects of The Furniture Project Nottinghamshire are:***

- ◆ To relieve the effects of poverty for disadvantaged people and help reduce need, hardship or distress by offering a provision of subsidised furniture and other essential household items to those in need.
- ◆ To promote the 3 R's (Reduce, Reuse, Recycle) and reduce the amount going to landfill and thus help to protect our environment.
- ◆ To offer volunteering and work placements to help people get back into paid employment or add a new dimension to the lives of those who are retired or in part time employment.
- ◆ To provide 'community payback' opportunities for Nottinghamshire Probation Service placements.

## Chairperson's Report

This is my second Chairperson's report and I will start initially by saying what a difficult and challenging year in many respects this has been. The Project has continued to go from strength to strength and as the Project has navigated its way through such a difficult year, I realise the strength that the Project now holds and the depth of experience which all those involved in the Project now have. I have been fortunate to be guided all the way by such a fantastic Management Committee and their assistance and dedication to the Project has really shone through this year.

Last year, my report focused quite heavily on the economic impact of the Coronavirus and this year, other worldwide factors have had an immense impact on the Project. A non-exhaustive list of these would include the war between Ukraine and Russia and the effect that this has had on our utility bills, the rapid rise in inflation and the effects which this has had on the cost of fuel along with the tightening of the belt for most of the population and, towards the end of this year, the dramatic rise in wages.

The Furniture Project has really dug in this year and we have tried to find alternative routes for funding and tried to become as efficient and as open to new ideas as we possibly can. This has led to a number of different grants being obtained and fortunately toward the latter part of the year, a new relationship being formed. These relationships are key to the Project and will always be key to the Project but during the most difficult times, they really are the guiding light that brings us through.

We are by no means out of the worst of the economic crisis and the Project is by no means plain sailing but we continue to work hard with dedicated staff and volunteers and being led by our exceptional Project Manager Carole.

The Project has a number of exciting projects in the pipeline and we hope that the forthcoming year can show how hard the Project has worked in the last 20 years in strengthening its position to such an extent that we can survive these difficult years; without all the hard work over the last 20 years, that might not have been the case.

I would and will always take this wonderful opportunity to thank our volunteers and staff and anyone else who has donated any time, items or money to the Project as without you, the Project quite literally wouldn't exist. We are very fortunate to have such a dedicated team of volunteers so that when the times have been particularly hard, we have managed to fight our way through.

I would also like to thank the Management Committee whose ideas, dedication and time invested have had a massive impact for the benefit of the Project.

I hope that anyone involved in the Project can see the strength and depth of the work which we do but also the quality which we sell keeping our prices as low as possible for the benefit of the wider community. We have also done some excellent work with local authorities and the wider community.

This year has also been a stellar year for refurbishing items at the Project and always striving to be as green as we can and long may this continue.

The Project is very important to me and our local community and I hope that I can continue to assist the Project for many years to come in whatever capacity best suits the Project.

Best wishes,

*Charles Daysh*

## Review of Activities and Achievements 2022/ 23

It has been an interesting year for the Project post pandemic having to come to terms with a new norm and then heading head first into a cost of living crisis. Projects like ours have been hit hard with increasing fuel, heating costs and general overheads. This has been coupled with an ever increasing demand for our services as more and more people have been pushed into poverty and can no longer afford the basics that make a house a home. At times we have been unable to meet this demand as donations have also fallen back. Faced with increasing bills and increasing demands the Project has had to find ways to save money and meet this challenge head on. It has not been an easy journey but we are still here and are determined more than ever to continue to serve our communities and help bridge the poverty gap. No one in this day and age should have to sleep on the floor because they cannot afford a bed to sleep in and this is why we do what we do.

### Ukrainian Appeal

In April we donated hats and scarves and sold ribbons made by one of our volunteers to raise much needed funds for the Ukrainian appeal.

### Approved Reuse Centre

In May 2022 the Reuse Network came along for the annual audit of our sites and management systems. This is always an intensive couple of days but the process allows us to evaluate the work we do and demonstrate our good working practices. We passed with flying colours and look forward to our next visit in 2023.

### The Furniture Project Nottinghamshire Celebrates 30 Years as a Reuse Charity

In August 2022 the Project celebrated 30 years as a Reuse Charity and to mark the occasion we had birthday celebrations at our shop in Ollerton with a visit from the Ollerton Mayor. There was tea, coffee and cake and for the kids (and big kids) free balloon modelling. We also offered 20% off all furniture with a voucher from The Roundabout Community Newspaper. It was a lovely celebration and a big thankyou to the local community for supporting us over our 30 year journey.

## Resettlement Project

As part of our commitment to these Government schemes and our mission to help people in need we have now furnished 74 homes ready for families to move into and begin their new lives in the UK. We have undertaken this work for NSDC, Nottingham City Council, and Mansfield District Council. Our role was to provide preloved furniture and household items and furnish empty homes to make them a home for those that have had to leave Syria and more recently Afghanistan. We have refurbished properties in Nottingham, Newark and Ollerton and Mansfield.

Recent feedback from NSDC:

*“The Furniture Project have successfully furnished our Resettlement properties for the three schemes we deliver within the district (VPRS, UKRS and ARAP).*

*All the properties are furnished to an extremely high standard and we are always very pleased with the finished product they deliver for us.*

*Our families are also delighted when they enter their new homes and Carole and the team always make an effort to tailor the furnishing to the family make up, demonstrating extra care and thought to the process.*

*We would not be able to deliver the schemes to the tight timescales without the incredible support from the FP team.”*

## Annual Christmas Lights Switch On and Market

On 25th November we had a stall at the local Ollerton & Boughton Christmas lights switch on and kept our shop open until 7pm. We had a tombola at the shop and free hot chocolate and mince pies. It was lovely to take part in a local community event and promote the work we do. On the stall we sold

handmade wreaths, Christmas stockings and upcycled gifts / ornaments made by our volunteers as well as sweets and stocking fillers.

## Buy Nothing New Day –25th November

Buy Nothing New Day has been running for quite a few years now and is an annual event that we run to promote preloved and encourage people to buy second hand rather than new. This year coincided with Ollerton Christmas Lights switch on and so we offered 10% off all furniture in our Ollerton shop for the day.

An ethical alternative to Black Friday [#winwin](#) [#reuse](#) [#secondhand](#) [#sustainable](#)

## The National Lottery Community Fund

In December we celebrated being awarded £10k in funding from the National Lottery Community Fund to help with vehicle running costs.

We promoted this across our social media channels:

*“The cost of living crisis has hit hard and we are seeing record numbers of referrals coming in from people needing help to afford the basics and furnish their homes. This has meant increasing costs for our project especially with fuel and heating prices continuing to go up, so we are extremely grateful to National Lottery players for helping to #MakeAmazingHappen. Without this support we would not be able to help as many people as we do and make such an impact on people’s lives. Everyone deserves a bed to sleep on at night and all the other things that make a house a ‘home’ and this funding will make a huge difference to so many.”*

## Edwinstowe & the Dukeries Lions Club Donation

In December the Lions visited our shop in Ollerton and presented us with a cheque for £500 towards the running costs of our Project. This is needed more than ever with our costs soaring and demand for our services increasing. So a massive thank you to the Lions for supporting us and helping us to continue our valuable work within the community.

## Funding from NSDC Community Grant Scheme

The Furniture Project Nottinghamshire received £1000 from NSDC Community Grant Scheme back in December to go towards upcycling materials for our upcycling project where we repair and upcycle old pieces of furniture that were destined for the tip. The scheme aims to support local clubs, groups and not for profit organisations at improving the community and supporting the lives of residents.

**Carole Batey, Manger, The Furniture Project Nottinghamshire said:**

*“We were delighted to have been awarded £1000 from the NSDC Community Grant Scheme which will go towards upcycling materials. This will allow our volunteers and resident upcycler Mark to save old, outdated pieces of furniture that were destined for the tip and give them a new lease of life...which is not only great for the planet but also gives our volunteers meaningful work and a sense of pride and achievement.”*
